Item 3.02. Unregistered Sale of Securities.

On November 22, 2006, RARE Hospitality International, Inc. (RARE) successfully completed an offering of \$125,000,000 aggregate principal amount of 2.50% Convertible Senior Notes due November 15, 2026 (the Notes). The aggregate underwriting discount was 2.25% or \$2,812,500, providing RARE with net proceeds, before expenses, of approximately \$122.2 million. The Notes were issued under an indenture, dated as of November 22, 2006, between RARE Hospitality International, Inc. and The Bank of New York Trust Company, N.A., as Trustee (the Indenture).

The Notes were issued by RARE pursuant to an exemption from the registration requirements of the Securities Act of 1933, as amended (the Act) provided by Section 4(2) of the Act and Regulation D promulgated thereunder; such offers and sales were made only to qualified institutional buyers, within the meaning of Rule 144A under the Act, with adequate access to information about RARE, and appropriate notice and legends were affixed to the Notes regarding the restricted nature of the Notes. The Notes may not be resold without registration under the Act or pursuant to an exemption from the registration requirements thereof.

The Notes are convertible into RARE s common stock at any time after November 15, 2025, but prior to the close of business on the second business day immediately preceding the stated maturity date, and also under any of the following circumstances: (i) during any calendar quarter beginning after December 31, 2006 (and only during such calendar quarter), if, and only if, the closing sale price of RARE s common stock for at least 20 trading days (whether or not consecutive) in the period of 30 consecutive trading days ending on the last trading day of the preceding calendar quarter is greater than 125% of the conversion price per share of RARE common stock in effect on the applicable trading day; (ii) during the five consecutive trading day period following any five consecutive trading day period in which the trading price of the Notes was less than 98% of the product of the closing sale price of RARE s common stock multiplied by the applicable conversion rate; (iii) if the notes have been called for redemption; (iv) upon the occurrence of certain specified fundamental change transactions described in the Indenture; or (v) if RARE s common stock ceases to be listed on a U.S. national or regional securities exchange.

Pursuant to the Registration Rights Agreement filed herewith as Exhibit 4.2 (the Registration Rights Agreement), RARE has agreed to register the Notes and the underlying common stock for resale under the Act and to use its best efforts to have a registration statement covering such resales declared effective on or before March 31, 2007.

The foregoing description of the Indenture and the Registration Rights Agreement is a summary only and is qualified in its entirety by the terms of the Indenture and the Registration Rights Agreement, which are attached hereto as Exhibits 4.1 and 4.2, respectively, and are incorporated herein by reference.
