The class of equity securities to which this statement on Schedule 13D (this Statement) relates is the common stock, par value \$0.001 per share (the Common Stock), of Equinix, Inc., a Delaware corporation (the Issuer), with its principal executive offices located at 2450 Bayshore Parkway, Mountain View, California 94043.

Item 2. Identity and Background

This Statement is being filed by Pihana Pacific, Inc., a Delaware corporation (Pihana). The principal business of Pihana consists of establishing and managing Internet data centers. The address of Pihana's principal executive office is 1100 Alakea Street, Honolulu, Hawaii 96813.

Information regarding the directors and executive officers of Pihana is set forth on Schedule I attached to this Statement. All of the directors and executive officers of Pihana are United States citizens, except for Mr. Frank Tang, who is a citizen of the People's Republic of China.

During the last five years, to the knowledge of Pihana, no person named on Schedule I has been (a) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (b) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding is or was subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

On October 2, 2002, Pihana, the Issuer, Eagle Panther Acquisition Corp., a Delaware corporation, Eagle Jaguar Acquisition Corp., a Delaware corporation, STT Communications Ltd, a corporation organized under the laws of the Republic of Singapore (STT Communications), and i-STT Pte Ltd, a corporation organized under the laws of the Republic of Singapore (i-STT), and Jane Dietze, as representative of the stockholders of Pihana (the Pihana Stockholders), entered into a Combination Agreement (the Combination Agreement), pursuant to which the Issuer, Pihana and STT Communications will effect a business combination, upon the terms and subject to the conditions set forth in the Combination Agreement (the Combination) resulting in each of Pihana and i-STT becoming an indirect wholly owned subsidiary of the Issuer.

In connection with the Combination Agreement, Pihana and STT Communications entered into voting agreements, dated as of October 2, 2002 (collectively, the Voting Agreements), with each of Peter Van Camp, chairman of the board of directors of the Issuer and chief executive officer of the Issuer, Philip Koen, president and chief operating officer of the Issuer, Albert Avery, IV, vice chairman of the Issuer, Renee Lanam, chief financial officer and general counsel of the Issuer, Peter Ferris, vice president, worldwide sales, of the Issuer, Marjorie Backaus, vice president of the Issuer, Keith Taylor, vice president of the Issuer, Jay Adelson, chief technology officer of the Issuer, Scott Kriens, a director of the Issuer, Andrew Rachleff, a director of the Issuer, Benchmark Capital Partners II, L.P., Benchmark Capital Partners IV, L.P. and Cisco Systems, Inc. (collectively, the Stockholders). Pursuant to the Voting Agreements, each Stockholder agreed that from October 2, 2002 until the earlier of the closing of the Combination or the termination of the Combination Agreement, such Stockholder will vote or cause to be voted the shares of Common Stock over which such Stockholder has voting power to adopt the Combination Agreement (as more fully described in Item 6).

Item 4. Purpose of Transaction

The purpose of entering into the Voting Agreements was to obligate the Stockholders to vote in favor of the adoption of the Combination Agreement by the Stockholders and thereby facilitate the receipt by the Issuer of the stockholder approval which is a condition to the closing of the Combination.

Other than as described above and in Item 6, Pihana currently has no plans or proposals which relate to, or may result in, any of the matters listed in Items 4(a)-(j) of Schedule 13D (although Pihana reserves the right to develop such plans).

Item 5. Interest in Securities of the Issuer

Pihana has the shared power to vote 29,079,482 shares of Common Stock, representing 26.2% of the outstanding shares of Common Stock. The Voting Agreement gives Pihana and STT Communications limited rights that may only be excised jointly by Pihana and STT Communications. The calculation of the foregoing percentage is based on the number of shares of Common Stock disclosed to Pihana by the Issuer as outstanding as of October 1, 2002. Except as set forth in this Statement, to the knowledge of Pihana, no director or executive officer of Pihana beneficially owns any other securities of the Issuer.

There have been no transactions by Pihana in securities of the Issuer during the past sixty days. To the knowledge of Pihana, there have been no transactions by any director or executive officer of Pihana in securities of the Issuer during the past sixty days.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer

Pursuant to the Voting Agreements, each of the Stockholders agreed that from October 2, 2002 until the earlier of the closing of the Combination or the termination of the Combination Agreement, at any meeting of the stockholders of the Issuer or any adjournment thereof, and in any action by written consent of the stockholders of the Issuer, such Stockholder will vote or cause to be voted all shares of Common Stock beneficially owned by such Stockholder (i) in favor of the approval of the Combination Agreement, (ii) against any matter which could be expected to delay or prevent the consummation of the transaction contemplated by the Combination Agreement (including, but not limited to, any matter submitted to stockholders which could cause a breach of the Issuer's representations, warranties or covenants in the Combination Agreement) and (iii) in favor of any other matter relating to consummation of the transactions contemplated by the Combination Agreement. In connection with the Voting Agreements, the Stockholders also have granted proxies to Pihana and STT Communications to vote their Common Stock in the manner described above.

In connection with the Combination Agreement, the Issuer and STT Communications executed a securities purchase agreement (the Securities Purchase Agreement) providing for the issuance of convertible secured promissory notes of the Issuer and warrants to purchase shares of Common Stock of the Issuer. Pihana Stockholders may (although none of them are obligated to) purchase convertible secured promissory notes of the Issuer and warrants to purchase shares of Common Stock under the Securities Purchase Agreement.

In connection with the execution of the Securities Purchase Agreement, the Issuer and STT Communications agreed to execute a registration rights agreement (the Registration Rights Agreement) whereby the Issuer would grant purchasers of securities under the Securities Purchase Agreement rights to

In connection with the execution of the Governance Agreement, the Issuer is required to amend and restate its bylaws (the Bylaws) to provide to the holders of Series A Preferred Stock, par value \$0.001 per share, of the Issuer, rights to appoint members of the Issuer s board of directors and the right to have those members of the Issuer s board of directors appointed to committees of the Issuer s board of directors.
