Item 6. Indemnification of Directors and Officers

## Edgar Filing: INTERLOTT TECHNOLOGIES INC - Form S-8

The Company's Certificate of Incorporation provides for indemnification of directors and officers of the Company to the extent permitted by the General Corporation Law of Delaware (the "GCL"), except that such a person may only be indemnified in connection with a proceeding initiated by that person if the proceeding was authorized by the Board of Directors of the Company. Section 145 of the GCL provides for indemnification of directors and officers from and against expenses (including attorney's fees), judgments, fines and amounts paid in settlement reasonably incurred by them in connection with any civil, criminal, administrative or investigative claim or proceeding (including civil actions brought as derivative actions by or in the right of the corporation but only to the extent of expenses reasonably incurred in defending or settling such actions) in which they may become involved by reason of being a director or officer of the corporation if the director or officer acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the corporation and, in addition, in criminal actions, if he had no reasonable cause to believe his conduct to be unlawful. If, in an action brought by or in the right of the corporation, the director or officer is adjudged to be liable for negligence or misconduct in the performance of his duty, he will only be entitled to such indemnity as the court finds to be proper. Persons who are successful in defense of any claim against them are entitled to indemnification as of right against expenses actually and reasonably incurred in connection therewith. In all other cases, indemnification shall be made (unless otherwise ordered by a court) only if the board of directors, acting by a majority vote of a quorum of disinterested directors, independent legal counsel or holders of a majority of the shares entitled to vote determines that the applicable standard of conduct has been met. Section 145 also provides such indemnity for directors and officers of a corporation who, at the request of the corporation, act as directors, officers, employees or agents of other corporations, partnerships or other enterprises.

\* (a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;

Edgar Filing: INTERLOTT TECHNOLOGIES INC - Form S-8

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

\*(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

\*(h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being

4

registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
