Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before it is exercised. It may be revoked by filing with the Secretary of the Company an instrument of revocation or by presentation at the meeting of a duly executed proxy bearing a later date. QUORUM AND VOTING PROCEDURES

A quorum consists of the presence at the meeting, in person or by proxy, of holders of 3,192,246 shares of Common Stock. R. Quintus Anderson and Aarque Capital Corporation, a corporation controlled by R. Quintus Anderson, Sondra R. Anderson and Heidi A. Nauleau (see "Nominees for Director") together presently own 3,686,000 shares, approximately 57.7%, of the Company's Common Stock, which will be voted for the election of the directors nominated, and in favor of the proposal to ratify the appointment of Deloitte & Touche LLP as auditors.

Stockholder proposals, including nominations for the office of director, may be submitted for inclusion in the Company's 2002 proxy material after the 2001 Annual Meeting, but no later than 5:00 p.m. Eastern Standard Time on May 1, 2002. Proposals must be in writing and sent by registered, certified or express mail to: Office of the Secretary, Cold Metal Products, Inc., 2200 Georgetown Drive, Suite 301, Sewickley, Pennsylvania 15143. Facsimile or other forms of electronic submission will not be accepted. Management will carefully consider all proposals and suggestions from stockholders. When in Management's judgment adoption is clearly in the best interest of the Company and can be accomplished without stockholder approval, the proposal will be implemented without inclusion in the Company's proxy material.

SOLICITATION

The Company will bear the entire cost of preparing, assembling, printing and mailing this proxy statement, the accompanying form of proxy and any additional material which may be furnished to shareholders. Copies of all solicitation materials will be furnished to brokerage houses, fiduciaries and

ELECTION OF DIRECTORS

Edgar Filing: COLD METAL PRODUCTS INC - Form DEF 14A

At the Company's 2001 annual meeting of shareholders, it is intended that the shares represented by the proxy solicited by the Board of Directors will be voted, unless such authority is withheld, for the election of the seven nominees for the office of director identified below. The Board of Directors, acting in accordance with the By-Laws of the Company, has reduced the number of directors constituting the full Board from eight to seven following the resignation of Edwin H. Gott, Jr. from the office of director in fiscal 2001. Each nominee is presently a director of the Company. The Directors elected will serve for the ensuing fiscal year and until their successors have been elected. Should any of the nominees for the office of director named below be unable to accept nomination or election, which is not anticipated, persons acting under the proxy will vote for the election of such other persons as the Board of Directors of the Company may recommend.

COMPENSATION OF DIRECTORS

Each of Messrs. Kronk, Neary, Sullivan and Berner are paid \$15,000 annually for their service as Directors, including service on committees of the Board of Directors, and \$1,000 for each meeting of the Board of Directors or a committee of the Board of Directors which he attends. Pursuant to a Non-Employee Directors' Incentive Plan (the "Plan"), adopted by the Company and approved by the Company's shareholders on March 3, 1994 and amended by the shareholders on July 20, 1995, each director who is not a salaried employee of the Company may elect to receive his annual compensation in the form of cash or Common Stock and may elect to defer receipt until a specified period after his resignation or retirement or certain other events, such as a sale or merger of the Company. Under the Plan, an accounting of compensation deferred as stock by any electing Director is maintained in a Bookkeeping Reserve (Stock) Account, and any cash dividends declared on shares of Common Stock are awarded to the Bookkeeping Reserve (Stock) Account in the form of additional units (priced at the fair market value of the Common Stock on the declaration date for such dividend) proportionate to the number of units in the Director's account multiplied by the cash dividend per share. As of March 31, 2001, Mr. Sullivan had 5,685.6520 units and Mr. Berner had 2,014.1701 units in their respective Bookkeeping Reserve (Stock) Accounts. Pursuant to the Plan, Messrs. Sullivan and Kronk have elected to defer receipt of their fiscal 2002 annual compensation. Sixty thousand shares of Common Stock are reserved for issuance pursuant to elections under the Plan. Pursuant to the Plan, Edwin H. Gott, Jr. was issued 16,991 shares of Common Stock corresponding to the number of units in his Bookkeeping Reserve (Stock) Account on the effective date of his resignation during fiscal 2001. Directors

Edgar Filing: COLD METAL PRODUCTS INC - Form DEF 14A

who are salaried employees or officers of the Company receive no separate compensation for their service as Directors, but are reimbursed for expenses incurred in connection with attendance at meetings.

In addition, under the Plan, all directors of the Company who are not salaried employees are granted, in connection with the beginning of their initial term, an option to purchase 10,000 shares of Common Stock. These options are granted at the fair market value on the date of the grant which is presently fixed by the Plan as July 1 following initial appointment or election and are exercisable after three years or upon certain specified events, such as a sale or merger of the Company. Pursuant to the provisions of the Plan, on March 21, 1994, Messrs. Berner, Kronk and Neary were each granted options to purchase 10,000 shares of Common Stock at \$10.00 per share and, on July 1, 1995, each of Messrs. Gott and Sullivan received options to

3

6

purchase 10,000 shares of Common Stock at the exercise price of \$6.875 per share. One hundred thousand shares of Common Stock are reserved for option grants under the Plan. Additionally, pursuant to the Plan, non-employee directors are eligible for awards of options, in addition to options grantable at the beginning of their terms, grantable in the discretion of a committee of directors not eligible to receive options under the Plan, and exercisable at no less than the fair market value of the stock on the date of the grant and no less than six months from the date of the grant. On July 20, 1995, each of Messrs. Berner, Kronk and Neary was granted options to purchase 5,000 shares of Common Stock at the exercise price of \$6.125 per share. On July 25, 1996, each of Messrs. Gott and Sullivan was granted options to purchase 5,000 shares of Common Stock at the exercise price of \$5.75 per share.

In September of 1998, Heidi A. Nauleau succeeded R. Quintus Anderson in the executive position of Chairman of the Board of Directors of the Company. Since that time Mr. Anderson has served as Chairman of the Company's Executive Committee, a position which in the fiscal year ended March 31, 2001, did not involve full time employment by the Company. In that capacity, during the fiscal year ended March 31, 2001 Mr. Anderson received cash compensation in the amount of \$180,000, and received \$25,800 under the Company's defined benefit pension plan. When Mrs. Nauleau succeeded Mr. Anderson as Chairman, the Company established a supplemental executive retirement plan for him. Funding of its obligations under that plan by the Company resulted in a pretax charge of \$.5 million during the fiscal year ended on March 31, 1999. The plan contemplates benefits payable over a fifteen year period, but in view of his continued service as Chairman of the Executive Committee and the compensation he receives, he and the Company have agreed to defer the commencement of the benefit, no portion of which was paid in the fiscal year most recently ended.

BOARD MEETINGS AND COMMITTEES COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Company's Board of Directors has an Audit Committee, consisting of Messrs. Neary (Chair), Sullivan and Berner. On May 23, 2001, the Company's Audit Committee adopted a revised written charter for the Audit Committee, a copy of which is annexed as an appendix to this proxy statement. The members of the Audit Committee are independent as independence is defined in the American Stock Exchange Listing standards. The Audit Committee makes recommendations to the Board of Directors regarding selection and employment of the Company's independent accountants and, working with the Company's internal accounting staff and independent accountants, monitors and reviews the Company's accounting and control procedures. During the fiscal year ended March 31, 2001, the Audit Committee met five times; the Committee also met in May, 2001.

Edgar Filing: COLD METAL PRODUCTS INC - Form DEF 14A

The Company's Board of Directors also has a Human Resource Committee, which performs the functions of a compensation committee. The Human Resource Committee presently consists of Messrs. Kronk (Chair), Neary and Sullivan, each of whom is an outside director. In addition, Mr. Anderson, Chairman of the Executive Committee of the Board of Directors, serves the committee in an ex-officio, non-voting capacity. The Human Resource Committee is responsible for considering and making recommendations to the Board of Directors on the annual compensation of all officers of the Company, including salary, bonus, stock options and stock appreciation rights and other awards to be made under the Company's existing compensation plans. With respect to compensation for the fiscal year ended March 31, 2001, the Human Resource Committee met twice.

The Board of Directors held a total of four meetings during the fiscal year ended March 31, 2001. During the fiscal year, each incumbent director attended at least seventy-five percent (75%) of the meetings of the Board of Directors and all meetings of the Committees of the Board of Directors that were held during the periods for which each such director served on the Board of Directors or on a Committee. The Company has no standing Nominating Committee.

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the year ended March 31, 2001 with the Company's management, and Deloitte & Touche LLP, the Company's independent accountants.

The Audit Committee also has discussed with Deloitte & Touche LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90, and, with and without management present, discussed and reviewed the results of the independent accountants' audit of the financial statements and the overall quality of the Company's financial reporting.

The Audit Committee also has received the written disclosures from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1 and the Audit Committee has discussed with Deloitte & Touche LLP the independence of that firm. "Final average compensation" is averaged over the five years that are within the final ten years of employment that produce the highest amount. The compensation of employees used to compute the pension described above is total compensation, exclusive of reimbursed travel and relocation expenses, profit sharing and similar distributions, overtime, Company-paid insurance (whether or not taxable) and benefits under the

Company's Special Incentive Compensation Plan, until actually distributed or made available, but including any salary reduction contributions made by the employee to the Company's 401(k) Plan. Under the Internal Revenue Code, for years after 1988, pensionable earnings are limited to \$200,000 per year, adjusted each year after 1989 to reflect inflation. Thus, the limits for years 1989-1993 were \$200,000, \$209,200, \$222,220, \$228,860 and \$235,840, respectively. Beginning in 1994 and continuing through 1996, pensionable earnings were limited to a flat \$150,000; as of January 1997, the limit was increased to \$160,000; and as of January 2000 the limit was increased to \$170,000.

The estimated years of service credited to each of the Named Executive Officers is as follows: Raymond P. Torok, 2; Joseph C. Horvath, 1; Heidi A. Nauleau, 8; Paul H. Eagle, 1; and Paul M. Hoppe, 26. In 1997 it was determined that, pursuant to the terms of the Plan, Mrs. Nauleau was entitled to participate from the inception of her employment by the Company.

HUMAN RESOURCE COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Edgar Filing: COLD METAL PRODUCTS INC - Form DEF 14A

The Human Resource Committee of the Board of Directors ("The Committee") oversees and administers the executive compensation including base salaries, bonuses and other compensation matters of the Company.

The Committee is comprised exclusively of non-employee Directors and one non-voting, ex-officio Director who is also the Chairman of the Executive Committee of the Board of Directors. All Directors are invited to attend Human Resource Committee meetings.

The Committee's composition is reviewed annually. On July 28, 2000, the Board of Directors reappointed Mr. Claude F. Kronk as Chairman of the Human Resource Committee. Also appointed were Messrs. Edwin H. Gott, Jr. and Peter B. Sullivan. Mr. R. Quintus Anderson, Chairman of the Executive Committee, was also appointed to The Committee as a non-voting, ex-officio member. Following Mr. Gott's resignation from the Board of Directors, Mr. Robert D. Neary was appointed to the Human Resource Committee.

COMPENSATION POLICY

The Committee's responsibility to the Company is to maintain a compensation structure that attracts and retains qualified individuals for employment and reflects the interests of the Company's shareholders. The benchmarks used by The Committee come not only from peer companies but also from companies of similar size in many industries.

The Board of Directors has charged the Human Resource Committee with the following responsibilities:

1. Annual review of the base compensation of key executive officers.
2. Annual evaluation of the performance of the key executive officers.
3. Annual determination of incentive-based pay for key executive officers.
4. Review of the plan for management succession.

COMPENSATION PHILOSOPHY

Compensation of the Company's executive management is composed of a base salary and an incentive-based cash bonus. The Committee's philosophy is based on the principle that remuneration should be closely tied to the performance of the Company. A substantial portion of executive compensation is, therefore, incentive compensation based on the financial performance of the Company.

Base Salary. Base salaries are set using comparable company data. Comparisons are made with companies in similar industries as well as companies of similar size. Salaries are reviewed annually and

8

11

adjusted accordingly. Salaries may also be adjusted to reflect outstanding contribution to the financial success of the enterprise.

Incentive-Based Bonus. The Company's incentive-based bonus plan is reviewed annually. In the past fiscal year, the company followed an economic value added philosophy. The Committee has charged the Chief Executive Officer with setting the parameters of the economic value added plan for management. The Chief Executive Officer presents the bonus calculation for key employees to the Human Resource Committee for approval.

Performance in relation to objectives is measured with respect to each

Edgar Filing: COLD METAL PRODUCTS INC - Form DEF 14A

fiscal year.

CHIEF EXECUTIVE'S COMPENSATION

SEC regulations require the Human Resource Committee to discuss its philosophy for compensation matters relating to the Chief Executive Officer.

Raymond P. Torok was hired as Chief Executive Officer of the Company in October, 1998. In addition to the base salary and incentive cash bonus previously described, Mr. Torok was awarded options to purchase 400,000 shares of the common stock of the Company. The award of a significant number of options is in line with the Company's philosophy that remuneration should be tied to the financial performance of the Company.

MEETINGS OF THE HUMAN RESOURCE COMMITTEE

The Human Resource Committee met three times during the fiscal year, on May 24, 2000, October 16, 2000, and January 18, 2001. All directors were invited to attend the meetings.

The May 24, 2000 meeting of The Committee focused on issues relating to bonus recommendations presented by Mr. Torok; corporate policies governing equal employment opportunity, family medical leave and travel and relocation were also reviewed.

The October 16, 2000 meeting of The Committee focused on review of the Chief Executive Officer's performance.

At the January 18, 2001 meeting of The Committee, Amy Elsea and Duane Wykoff, executive employees of the Company, presented an overview of a proposed compensation and annual review methodology.

Deloitte & Touche has served in this capacity for the fiscal year ended March 31, 2001 and for each fiscal year of the Company since its incorporation in 1980. A representative of Deloitte & Touche will be present at the meeting and will have an opportunity to make a statement and be available to respond to appropriate questions.

The appointment of auditors is approved annually by the Board of Directors. Ratification of the appointment of Deloitte & Touche by stockholders is not required by law. However, as a matter of policy, the appointment of Deloitte & Touche is submitted to the stockholders for ratification. The membership of the Committee shall consist of at least three directors who are generally knowledgeable in financial and auditing matters, including at least one member with accounting or related financial management expertise.
