<sup>1</sup> Represents 280 shares of common stock and 22,725,380 shares of Class B common stock beneficially owned by Mr. Stack, 400,000 shares of Class B common stock, for which Mr. Stack maintains sole voting, but not dispositive power (see footnote 2), 12,100 shares of common stock held by Mr. Stack's minor children, for which Mr. Stack disclaims beneficial ownership, and 6,212,500 shares of common stock subject to options that are currently exercisable, or that will become

exercisable,  
within 60 days of  
the filing of this  
report. All  
amounts reflect  
the two-for-one  
stock split  
effectuated by  
Dick's Sporting  
Goods, Inc. in  
October 2007.

Each share of  
Class B common  
stock is  
convertible into a  
share of common  
stock at any time  
at the option of  
the holder. The  
Class B common  
stock is also  
automatically  
convertible into  
common stock  
under certain  
circumstances.  
Holders of  
Class B common  
stock are entitled

Registration Statement, as amended, on Form S-1 (File No. 333-96587).

- 2 Edward W. Stack maintains sole voting power, but not dispositive power, with respect to 400,000 shares of Class B common stock held by Richard T. Stack.
- 3 On December 4, 2007, Mr. Stack amended an option held by his brother Martin Stack. The option, as amended, is exercisable beginning December 2, 2009, and for thirty-six months thereafter, for 759,800 shares of common stock. The option is exercisable at 75% of the then per share market price on the date of exercise. Market price means the mean between the high and low prices of the common stock on the national securities exchange on the day on which the

option is exercised, if the common stock is then being traded on a national securities exchange, and if the common stock is then being traded on such an exchange but there are no sales on such day, the market price shall be deemed to be the mean between the high and low prices of the common stock on the national securities exchange on the day on which the most recent sales occurred prior to the date of exercise; and if the common stock is not then traded on such an exchange, then the market price shall be deemed to be the mean between the high and low bid and asked prices for the common stock on the over-the-counter market on the day on which the option is exercised.
