PROXY STATEMENT

**FOR THE
2006 ANNUAL MEETING OF STOCKHOLDERS
To Be Held On February 23, 2006**

INFORMATION ABOUT SOLICITATION AND VOTING

General

This proxy statement is provided in connection with the solicitation of proxies by the board of directors of VistaCare, Inc. for the 2006 Annual Meeting of Stockholders to be held at 2:00 p.m. on Thursday, February 23, 2006 at the FINOVA Theater, located at 4800 North Scottsdale Road, Scottsdale, Arizona, and at any adjournment or postponement of the annual meeting. Our principal executive offices are located at 4800 North Scottsdale Road, Suite 5000, Scottsdale, Arizona 85251.

This proxy statement and the accompanying proxy card are expected to be mailed on or about January 23, 2006 to all stockholders entitled to vote at the annual meeting. We are mailing our Annual Report to Stockholders for the fiscal year ended September 30, 2005 together with these proxy materials. The Annual Report to Stockholders does not constitute part of this proxy statement.

What is the purpose of the annual meeting?

At the annual meeting, stockholders will consider and vote on the following matters:

1. The election of three (3) nominees to serve as members of our board of directors to hold office for terms of three (3) years.
2. The ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the year ending September 30, 2006.
3. The consideration of any other business that may properly come before the meeting.

Who can vote at the annual meeting?

Only stockholders of record at the close of business on January 17, 2006 may vote at the annual meeting. This date is the record date for the annual meeting. On the record date, there were 16,392,143 outstanding shares of our Class A Common Stock, \$0.01 par value per share, which we refer to in this proxy statement as our common stock.

How many votes do I have?

Each share of our common stock that you owned on the record date entitles you to one vote on each matter that is voted on.

Is my vote important?

Your vote is important regardless of how many shares you own. Please take the time to vote and to read the instructions below.

How can I vote?

You can vote in two ways. You can vote by mail or you can vote in person at the meeting.

You may vote by mail. You may vote by completing and signing the proxy card that accompanies this proxy statement and promptly mailing it in the enclosed postage-prepaid envelope. You do not need to put a stamp on the enclosed envelope if you mail it in the United States. The shares you own will be voted according

to the instructions on the proxy card you mail. If you return the proxy card, but do not give any instructions on a particular matter described in this proxy statement, the shares you own will be voted in accordance with the recommendations of our board of directors. The board of directors recommends that you vote FOR proposals 1 and 2.

You may vote in person. If you attend the meeting, you may vote by delivering your completed proxy card in person or you may vote by completing a ballot. Ballots will be available at the meeting.

Can I change my vote after I have mailed my proxy card?

Yes. You can change your vote and revoke your proxy at any time before the proxy is exercised at the meeting by doing any one of the following things:

signing another proxy with a later date;

giving our corporate secretary a written notice before or at the meeting prior to the exercise of the proxy that you want to revoke your proxy; or

voting in person at the meeting.

Your attendance at the meeting alone will not revoke your proxy.

Can I vote if my shares are held in street name ?

If the shares you own are held in street name by a bank or brokerage firm, your bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your bank or brokerage firm provides you. Many banks and brokerage firms also offer the option of voting over the Internet or by telephone, instructions for which would be provided by your bank or brokerage firm on your vote instruction form.

If your shares are held in street name, you must bring an account statement or letter from your brokerage firm or bank showing that you are the beneficial owner of the shares as of the record date in order to be admitted to the meeting on the record date. To be able to vote your shares held in street name at the meeting, you will need to obtain a proxy card from the holder of record.

What will happen if I do not give my bank or brokerage firm instructions on how to vote my shares?

If you do not give your broker instructions as to how to vote on the two proposals described in this proxy statement, your broker is entitled to use its discretion in voting your shares.

What constitutes a quorum?

In order for business to be conducted at the meeting, a quorum must be present. A quorum consists of the presence, in person or by proxy, of a majority of the shares of common stock issued, outstanding and entitled to vote at the meeting, or at least 8,196,072 shares.

Shares of common stock represented in person or by proxy (including broker non-votes and shares that abstain or do not vote with respect to one or more of the matters to be voted upon) will be counted for the purpose of determining whether a quorum exists. A broker non-vote occurs when a record holder (e.g., a bank or brokerage firm) holding shares for a beneficial owner votes on one proposal but does not vote on another proposal because the record holder does not have discretionary voting power and has not received voting instructions from the beneficial owner.

If a quorum is not present, the annual meeting will be adjourned until a quorum is obtained.

What vote is required for each proposal?

Election of directors. The three nominees receiving the highest number of votes cast at the meeting will be elected, regardless of whether that number represents a majority of the votes cast. Abstentions and broker non-votes will have no effect on the outcome of this proposal.

Ratification of selection of independent registered public accounting firm. The affirmative vote of the holders of a majority of the shares entitled to vote at the meeting is needed to approve the ratification of the selection of our independent registered public accounting firm. Abstentions and broker non-votes will have the effect of a negative vote on this proposal.

How will votes be counted?

Each share of common stock will be counted as one vote according to the instructions contained on a proper proxy card, whether executed by you directly or on a ballot voted in person at the meeting.

Who will count the votes?

The votes will be counted, tabulated and certified by our transfer agent and registrar, Computershare Trust Company, N.A. Two company employees, Merle Lindlar and Carla DeMichiel, will serve as the inspectors of elections at the meeting.

How does the board of directors recommend that I vote on the proposals?

The board of directors recommends that you vote:

FOR the election of the three nominees to serve as members of our board of directors to hold office for terms of three years; and

FOR the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the year ending September 30, 2006.

Will any other business be conducted at the meeting, or will other matters be voted on?

The board of directors does not know of any other matters that may come before the meeting. If any matter properly comes before the meeting, the persons named in the proxy card that accompanies this proxy statement will exercise their judgment in deciding how to vote, or otherwise act, at the meeting with respect to that matter or proposal.

Where can I find the voting results?

We will report the voting results in our quarterly report on Form 10-Q for the second quarter of 2006, which we expect to file with the Securities and Exchange Commission, or SEC, on or before May 10, 2006.

How and when may I submit a stockholder proposal for the 2007 annual meeting?

To be included in the proxy statement or considered at the annual meeting, a stockholder must timely submit nominations of directors or other proposals to the Company in addition to complying with certain rules and regulations promulgated by the SEC. The Company intends to hold its 2007 annual meeting during February 2007. We must receive proposals for our 2007 annual meeting no later than September 25, 2006 for possible inclusion in the proxy statement, or between November 25, 2006 and December 25, 2006 for possible consideration at the meeting. SEC rules permit management to vote proxies in its discretion with respect to such matters if the Company advises shareholders how management intends to vote.

Any proposals or notices should be sent to:

VistaCare, Inc.
4800 North Scottsdale Road, Suite 5000
Scottsdale, Arizona 85251
Attention: Corporate Secretary

Who will bear the costs of soliciting these proxies?

We will bear the costs of solicitation of proxies. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting material to the owners of shares of our common stock they hold in their names. We will reimburse banks and brokers for their reasonable out-of-pocket expenses incurred in connection with the distribution of proxy materials.

How can I obtain a copy of VistaCare's 2005 Annual Report on Form 10-K?

Our Annual Report on Form 10-K is a part of our 2005 Annual Report to Stockholders, and it is being mailed to you together with this proxy statement. However, you may also receive a copy of our Annual Report on Form 10-K for the fiscal year ended September 30, 2005 by visiting our website (www.vistacare.com) and clicking on Investor Relations, or we will send you a paper copy without charge upon request. PROPOSAL 1

ELECTION OF DIRECTORS

(Item 1 of Notice)

General

Three Class I nominees have been nominated for election at the 2006 Annual Meeting of Stockholders to serve three-year terms expiring at the 2009 Annual Meeting of Stockholders and until their successors have been elected and duly qualified. Unless instructed otherwise, the proxy holders will vote the proxies received by them for our nominees: James C. Crews, David W. Elliot, Jr., and Geneva B. Johnson. In the event that any of these nominees are unable or decline to serve as directors at the time of the annual meeting, the proxies may be voted for a substitute nominee designated by the present board of directors (unless another nominee is indicated in any particular proxy), or the board of directors may reduce the number of directors. Messrs. Crews and Elliot and Ms. Johnson have consented to serve as directors, and our board of directors has no reason to believe that they will be unavailable for service.

The board of directors recommends a vote FOR the proposed nominees.

Composition of the Board of Directors

Effective May 4, 2005, two vacancies on the board of directors were created by the retirement of William J. McBride and the resignation of David E. Faeder. Effective May 5, 2005, the board of directors appointed Jack A. Henry to serve the remainder of Mr. McBride's Class II Director term ending in 2007, and appointed James C. Crews to serve the remainder of Mr. Faeder's Class I Director term ending in 2006.

Our certificate of incorporation provides that directors shall be divided into three classes and that each director shall serve for a term of three years and until his or her successor is elected and qualified or until his or her earlier resignation, death, or removal. One class of directors is elected at each annual meeting. Prior to July 2005, we had eight (8) directors. On July 7, 2005, acting on the recommendation of the Nominating and Corporate Governance Committee, the board of directors resolved to create one (1) new directorship effective immediately. Under our Bylaws, the board of directors has the authority to fill the new directorship position. Accordingly, effective July 7, 2005, the Nominating and Corporate Governance Committee recommended, and the board of directors unanimously approved, the appointment of Jon M. Donnell as a Class II member of the board to fill the newly created vacancy. As a result, the board consists of nine (9) members, with three (3) directors in each of Classes I, II and III.

The Class II directors (whose terms expire in 2007) are Jon M. Donnell, Perry G. Fine and Jack A. Henry. The Class III directors (whose terms expire in 2008) are Pete A. Klisares, Ronald A. Matricaria and Richard R. Slager. There are no family relationships between any of our directors or executive officers.

The following sets forth the names of and information about the persons nominated for election at the annual meeting and the directors whose terms do not expire at the annual meeting. Information regarding their compensation is presented in the section of this proxy statement entitled Directors Compensation, and information regarding their beneficial ownership of shares of our common stock is presented in the section of this proxy statement entitled Security Ownership of Certain Beneficial Owners and Management.

CORPORATE GOVERNANCE

General

We believe that good corporate governance is an important part of our long-term strategy of building value for our stockholders. Accordingly, we annually review our corporate governance practices and policies to ensure that they are in line with current best practices and in compliance with the requirements of the SEC and the Nasdaq National Market.

Copies of the charters of our Audit, Compensation and Nominating and Corporate Governance Committees, as well as the Code of Conduct for our officers, employees and directors and Corporate Governance Guidelines, are available on our website (www.vistacare.com) under Investor Relations Corporate Governance captions. Set forth below is a brief description of some of our most important corporate governance policies and practices currently in effect.

Independence of Directors

We believe that independent directors play a critical role in company governance, and we are committed to ensuring that a majority of our directors are independent. Presently, six (6) of our nine (9) directors are independent under the standards specified by the Nasdaq National Market. In particular, our board of directors has determined that none of Messrs. Crews, Donnell, Henry, Klisares, Matricaria, and Ms. Johnson has a material relationship with us (either directly or as a partner, shareholder or officer of an organization that has a relationship with us) and that each of these directors is independent within the meaning of Nasdaq's director independence standards. In addition, our board of directors has determined that each of the members of each of our Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee has no material relationship with us (either directly or as a partner, shareholder or officer of an organization that has a relationship with us) and is independent within the meaning of Nasdaq's director independence standards.

Independence for Audit Committee Members and Audit Committee Financial Expert. In addition, as required by Nasdaq rules, the members of the Audit Committee each qualify as independent under special standards established by the U.S. Securities and Exchange Commission (SEC) for members of audit committees. The Audit Committee also includes at least one independent member who is determined by the board of directors to meet the qualifications of an audit committee financial expert in accordance with SEC

rules, including that the person meets the relevant definition of an independent director. Jon M. Donnell and Jack A. Henry are the independent directors who have been determined to be audit committee financial experts. Stockholders should understand that this designation is a disclosure requirement of the SEC related to Messrs. Donnell and Henry's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose upon Messrs. Donnell and Henry any duties, obligations or liability that are greater than are generally imposed on them as members of the Audit Committee and the board of directors, and their designation as audit committee financial experts pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or the board of directors.

Lead Director

In order to ensure a balanced relationship between management and the board of directors, in 2003 our board of directors established the role of Lead Director. The Lead Director serves as the Chair of any meeting at which management directors are not present and acts as a liaison between management, including the Chairman/ Chief Executive Officer, and the independent directors. Mr. Klisares served as the Lead Director during our 2005 fiscal year. In this capacity, Mr. Klisares had frequent contact with Mr. Slager and other members of management on a broad range of matters.

Nomination of Directors

General

If we identify a need to add a new member to the board of directors, or fill a vacancy, the Nominating and Corporate Governance Committee will identify and evaluate prospective candidates, and recommend to the board its proposed candidate(s). After seeking input from other members of the board of directors and from senior management, the Chair of the Nominating and Corporate Governance Committee will compile a list of potential candidates. If the Nominating and Corporate Governance Committee deems appropriate, it may also engage a professional search firm.

The Chair of the Nominating and Corporate Governance Committee, working with the other members of the board of directors and senior management, determines whether any of the candidates proposed by the Nominating and Corporate Governance Committee have relationships with any of the members of the board of directors or management, and oversees the initial contact with candidates. The Chairman of the board of directors, together with at least one member of the Nominating and Corporate Governance Committee, interviews prospective candidates. Following such interview, the Nominating and Corporate Governance Committee deliberates to consider whether and to what extent prospective candidates satisfy the criteria for nomination established by the board of directors.

In evaluating potential director nominees, including candidates recommended by stockholders, the Nominating and Corporate Governance Committee will consider, among other things, the candidate's integrity, business acumen, experience, other commitments, conflicts of interest and the ability to act in the interest of all of our stockholders. The Nominating and Corporate Governance Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. In addition, there are no specific minimum qualifications that must be met for any nominee. We believe that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the board of directors to fulfill its responsibilities.

Following its evaluation discussion, the Nominating and Corporate Governance Committee will then recommend to the board of directors the final nominee(s). The board of directors will then consider and vote on such recommendations.

We have not paid, to date, any third party a fee to assist in evaluating and identifying nominees. During 2005, no candidate was recommended to us by any beneficial owner of more than 5% of our common stock.

Stockholder Nominations

Our stockholders may recommend director candidates for inclusion by the board of directors in the slate of nominees which the board of directors recommends to our stockholders for election. The qualifications of recommended candidates will be reviewed by our Nominating and Corporate Governance Committee in the same manner, and subject to the same criteria, as nominees proposed by the board of directors or management.

To propose a nominee, stockholders should submit the name of the proposed nominee, together with sufficient biographical information about the proposed nominee to enable the Nominating and Corporate Governance Committee to make an informed evaluation of the proposed nominee's qualifications. Such proposals should be directed to:

Nominating and Corporate Governance Committee
c/o General Counsel
VistaCare, Inc.
4800 North Scottsdale Road, Suite 5000
Scottsdale, Arizona 85251
Phone: (480) 684-4545

The Nominating and Corporate Governance Committee will consider recommendations that are provided on a timely basis in accordance with our Bylaws.

Stockholder Communications with the Board of Directors

The board of directors provides a process for stockholders to send communications to the board of directors. In particular, stockholders may send written communications to the board of directors at the following address:

Board of Directors
c/o General Counsel
VistaCare, Inc.
4800 North Scottsdale Road, Suite 5000
Scottsdale, Arizona 85251
Phone: (480) 684-4545

Upon receipt, the General Counsel will review such communications to determine whether they relate to matters of corporate governance or strategy or to matters unrelated to the responsibilities of the board of directors. Communications relating to matters of corporate governance or strategy will be forwarded to the Lead Director, who will, in turn, provide copies or summaries of such communications to the other members of the board of directors for consideration, as appropriate.

Board of Directors Meetings and Committees

The board of directors has responsibility for establishing broad corporate policies and reviewing our overall performance rather than day-to-day operations. The primary responsibility of the board of directors is to oversee the management of the company and, in so doing, to serve the best interests of the company and its stockholders. The board of directors selects, evaluates and provides for the succession of executive officers and, subject to stockholder election, directors. It reviews and approves corporate objectives and strategies, and evaluates significant policies and proposed major commitments of corporate resources. It participates in decisions that have a potential major economic impact on us. Management keeps the directors informed of company activity through regular written reports and presentations at board and committee meetings.

The board of directors met seven (7) times in fiscal 2005 (of which three (3) were by way of teleconference); and each of our directors attended 75% or more of the total number of meetings of the board of directors and the committees of which such director was a member. Six (6) directors attended our 2005 annual meeting of stockholders. Our Corporate Governance Guidelines state that directors are not required

but are encouraged to attend the annual meeting of stockholders. To encourage and facilitate director attendance at the annual meeting, the board of directors attempts to schedule board meetings on the same date as the annual meeting of the stockholders.

The board of directors has a standing Audit Committee, a standing Compensation Committee, a standing Nominating and Corporate Governance Committee and a standing Investment Committee. Each such committee has a charter that has been approved by the board of directors, and each committee must review the appropriateness of its charter and perform a self-evaluation at least annually.

Messrs. Slager and Elliot are the only directors who are also employees of VistaCare. Neither Mr. Slager nor Mr. Elliot participates in any meetings at which their compensation is evaluated. All members of all committees are non-employee directors.

Executive sessions of non-management directors are generally held at least two times per year. The sessions are scheduled and chaired by the Lead Director. Any independent director can request that an additional executive session be scheduled.

Audit Committee

The current members of our Audit Committee are Messrs. Henry (Chair), Crews, Donnell and Klisares. On May 5, 2005, Mr. Henry replaced Mr. McBride as a director and as Chair of the Audit Committee. In August 2005, Mr. Matricaria ceased being a member of the Audit Committee and Messrs. Crews and Donnell were appointed to the Audit Committee. Our board of directors has determined that Messrs. Henry and Donnell qualify as audit committee financial experts under SEC rules; that each of the members of the Audit Committee is an independent director under the Nasdaq rules governing the qualifications of the members of audit committees; and that each of them has the financial sophistication to satisfy the requirements of Nasdaq. The Audit Committee is empowered to retain independent advisers or consultants as it deems necessary to accomplish its mandates. None of the members of our Audit Committee serve on the audit committees of more than three (3) other public companies. The Audit Committee met four (4) times during fiscal 2005. The responsibilities of our Audit Committee and its activities during fiscal 2005 are described in the Board Audit Committee Report contained in this proxy statement.

Compensation Committee

The current members of our Compensation Committee are Messrs. Donnell (Chair), Crews and Klisares and Ms. Johnson. In August 2005, Mr. Donnell became a member of the Compensation Committee. Before the December 7, 2005 meeting, Mr. Donnell became the Chair of the Compensation Committee and Mr. Matricaria ceased being Chair. After the Compensation Committee's meeting on December 7, 2005, Mr. Crews was appointed to the Compensation Committee and Mr. Matricaria ceased being a member of the Committee. The board of directors has determined that each of the members of the Compensation Committee is independent as defined under Nasdaq rules. Our Compensation Committee held six (6) meetings (of which two (2) were by way of teleconference) during fiscal 2005. The Compensation Committee evaluates and sets the compensation of our Chief Executive Officer and makes recommendations to our board of directors regarding the salaries and bonuses of our other executive officers. Our Chief Executive Officer is not present during voting or deliberations on the determination of his salary.

The Compensation Committee also oversees the evaluation of management by the board of directors. In addition, the Compensation Committee grants stock options and other stock incentives (within guidelines established by our board of directors) to our officers and employees. The responsibilities of our Compensation Committee and its activities during fiscal 2005 are described in the Report of the Compensation Committee on Executive Compensation contained in this proxy statement.

Nominating and Corporate Governance Committee

The current members of our Nominating and Corporate Governance Committee are Ms. Johnson (Chair) and Messrs. Klisares and Matricaria. The board of directors has determined that each of the members

of our Nominating and Corporate Governance Committee is independent as defined under Nasdaq rules. The purpose of the Nominating and Corporate Governance Committee is to identify and evaluate the qualifications of individuals proposed as nominees for election to the board of directors and to make recommendations to the board of directors based on such evaluations. In addition, the Nominating and Corporate Governance Committee is charged with developing and recommending to the board of directors changes to our corporate governance principles and overseeing the periodic evaluation of the board of directors. The Nominating and Corporate Governance Committee is authorized to retain advisers or consultants as it deems necessary to accomplish its mandate. For information relating to nominations of directors by our stockholders, see *Nomination of Directors* above. Our Nominating and Corporate Governance Committee held four (4) meetings during fiscal 2005.

Investment Committee

Established in May 2004, the Investment Committee is charged to assist the board of directors in overseeing financial matters of importance to the Company. Specifically, the Investment Committee reviews and makes recommendations to the board of directors concerning (i) our financing objective and principles, (ii) our financial strategies and capital structure, including interest rate and financial risk management, (iii) our annual financing plans, (iv) the implications of major investments, restructurings, joint ventures, acquisitions and divestitures, after such plans have been authorized in principle by the board of directors, and (v) performs any other activities as the Committee deems appropriate or as requested by the board of directors. The current members of the Investment Committee are Messrs. Matricaria (Chair), Donnell, Henry and Klisares. During fiscal 2005, the Investment Committee met three (3) times.

Audit Committee's Pre-Approval Policy and Procedures

Our Audit Committee pre-approves all services, including both audit and non-audit services, provided by our independent registered public accounting firm for the purpose of maintaining the independence of our independent registered public accounting firm. For audit services, each year the independent registered public accounting firm provides us with an engagement letter outlining the scope of the audit services proposed to be performed during the year, which must be formally accepted by the Audit Committee before the audit commences. The independent registered public accounting firm also submits an audit services fee proposal, which also must be approved by the Audit Committee before the audit commences.

Management may periodically submit to the Audit Committee proposals for non-audit services (together with an estimate of the associated fees) that it recommends the independent registered public accounting firm be engaged to provide. Management and the independent registered public accounting firm must each confirm to the Audit Committee that the performance of the proposed non-audit services would not compromise the independence of the registered independent public accounting firm and would be permissible under all applicable legal requirements. The Audit Committee must approve all non-audit services and the budget for each such service before commencement of the work. Management and the independent registered public accounting firm report to the Audit Committee at each of its regularly scheduled meetings as to the non-audit services actually provided by the independent registered public accounting firm and the approximate fees incurred by us for those services.

During fiscal 2005, no services were provided to us by Ernst & Young LLP or any other accounting firm other than in accordance with the pre-approval policies and procedures described above.

DIRECTORS COMPENSATION

Our non-employee directors are reimbursed for their reasonable out-of-pocket expenses incurred while involved in company work. Each non-employee director, other than our Lead Director and the Chair of the Audit Committee, receives a \$20,000 annual retainer. Our Lead Director, Pete A. Klisares, receives a \$40,000 annual retainer. Our current Audit Committee Chair, Mr. Henry, receives a \$30,000 annual retainer. Each non-employee director, other than our Lead Director, receives fees of \$1,500 per board meeting and \$750 per board conference call attended. Our Lead Director receives fees of \$3,000 per board meeting and \$1,500 per

board conference call attended. Each non-employee director, including our Lead Director, who serves on a board committee receives a fee of \$750 per committee meeting and \$375 per committee conference call attended. Each non-employee director, including our Lead Director, who serves as the chair of a board committee receives an additional \$500 per committee meeting and an additional \$125 per committee conference call attended. All of our directors during 2005, other than Messrs. Slager and Elliot, were non-employee directors. However, from June 1996 until August 2003, Dr. Fine was employed as our National Medical Director. Presently, Dr. Fine provides consulting services to us under a consulting agreement described elsewhere in this Proxy Statement under Certain Relationships and Related Transactions.

Non-employee directors are entitled to participate in our 2002 Non-Employee Director Stock Option Plan, or our director plan. Our director plan authorizes the grant of options to purchase up to an aggregate of 300,000 shares of our common stock. Under the director plan, each non-employee director is granted an option to purchase 20,000 shares of our common stock promptly following his or her election or appointment to our board of directors. Accordingly, Messrs. Crews and Henry each received an option grant to purchase 20,000 shares of our common stock in May of 2005 upon their appointments to our board of directors at a strike price of \$17.58 per share (the closing price of our common stock as quoted on Nasdaq on May 5, 2005, which was the date of the grant). Mr. Donnell received an option grant to purchase 20,000 shares of our common stock in August of 2005 at a strike price of \$22.98 per share (the closing price of our common stock as quoted on Nasdaq on August 4, 2005, which was the date of the grant). In addition, the director plan provides that each non-employee director will be granted an option to purchase 10,000 shares of our common stock on November 11 of each year, provided that he or she attended at least 75% of the meetings of the board of directors, and the meetings of any board committee on which he or she served, in the preceding year. In 2003, our board of directors elected to defer such annual option grants until the first quarter of 2004. Accordingly, each of our non-employee directors was granted an option in February 2004 to purchase 10,000 shares of our common stock under the director plan at an exercise price of \$34.09 per share. Each option granted under the director plan is immediately exercisable in full and expires on the earlier of ten years from the date of grant, or on the first anniversary of the date on which the optionee ceases to be a director. The board of directors elected not to accept the automatic grant for 2004. On May 5, 2005, the annual grant was resumed and each of our non-employee directors received an option grant to purchase 10,000 shares of our common stock at an exercise price of \$17.58 per share.

In addition to the foregoing, all of our directors are eligible to receive option grants under our 1998 Stock Option Plan. In fiscal 2005, no grants were awarded to any of our directors pursuant to the 1998 Stock Option Plan, other than an option grant to purchase 10,000 shares of our common stock awarded May 5, 2005 to Mr. Klisares as Lead Director, at a strike price of \$17.58.

Accordingly, the compensation information for fiscal 2004 reflects a nine (9)-month period (January 1-September 30, 2004) rather than a twelve (12)-month period. The restricted stock award has a 3-year vesting schedule with one-third vesting on each of September 30, 2005, 2006 and 2007, if certain performance objectives are met. In the event such performance objectives are not met, all of the shares shall remain subject to risk of forfeiture until September 30, 2008, provided Mr. Watson is still employed by us on that date.

Option Grants in 2005

The following table lists the grants during 2005 of stock options to the officers named in the Summary Compensation Table.

Option Grants In Last Fiscal Year

David Elliott, our President and Chief Operating Officer, was the only officer to receive options in the last fiscal year.

Name	Number of Shares Underlying Options Granted	% of Total Options Granted to Employees in Fiscal Year	Exercise or Base Price (\$/Sh)	Expiration Date	Potential Realizable Value at Assumed Annual Rate of Stock Price Appreciation for Option Term(1) 10%(\$)	
					5%(\$)	10%(\$)
David W. Elliot	325,000	45.44	\$ 15.92	01/10/2015	\$3,253,901	\$ 8,246,023

- (1) Amounts reported in these columns represent amounts that may be realized upon exercise of the option immediately prior to the expiration of its term assuming the specified compound rates of appreciation (5% and 10%) in the market value of VistaCare's common stock over the term of the option. These numbers are calculated based on rules promulgated by the SEC and do not reflect our estimate of future stock price growth. The gains shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise of the option or the sale of the underlying shares. The actual gains, if any, on the exercise of this stock option will depend on the future performance of the Corporation's common stock, the optionholder's continued employment through the option period, and the date on which the option is exercised.

Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values

The following table presents information concerning option exercises with respect to our common stock in 2005 by our named executive officers and the value of all unexercised stock options held by each of our named executive officers as of September 30, 2005.

Securities Authorized for Issuance Under Equity Compensation Plans

The following table sets forth information as of September 30, 2005 about our common stock that may be issued upon the exercise of options and rights under our equity compensation plans. Our stockholders have

previously approved each of these plans and all amendments that were subject to stockholder approval. We have no equity compensation plans that have not been approved by our stockholders.

(1) As of September 30, 2005, an aggregate of 29,250 shares of our common stock have been sold under the 2002 Employee Stock Purchase Plan.

Management Agreements

In October 2002, we entered into management agreements with Richard R. Slager, our Chief Executive Officer, and Stephen Lewis, our Senior Vice President and General Counsel. In May 2004, we entered into a management agreement with Ronald F. Watson, our Executive Vice President of Strategic Planning and Business Development. In January 2005, we entered into a management agreement with David W. Elliot, our President and Chief Operating Officer. In June 2005, we entered into a management agreement with John Crisci our Vice President of People and Education.

Under these agreements, the executives are entitled to compensation in the event of their employment termination or a sale of the company, as described below.

Compensation Upon Termination of Employment Prior to Change of Control

In the event that, prior to a change of control of VistaCare, the employment of any of the executives is terminated by (i) us for any reason other than for cause or the executive's death or disability or (ii) the executive for good reason, we are required to:

continue to pay the executive his or her then current salary for twelve (12) months following employment termination; and

continue to provide the executive with health and life insurance benefits for twelve (12) months following employment termination, or pay the full value of such benefits in cash.

Compensation Upon Termination of Employment After a Change of Control

In the event that, within two (2) years following a change in control of VistaCare, the employment of Mr. Slager is terminated for any reason, including Mr. Slager's death, disability or voluntary resignation, but excluding a termination by VistaCare for cause, we are required to:

pay Mr. Slager a lump sum amount equal to three (3) times his then current annual salary; and

continue to provide Mr. Slager with health and life insurance benefits for three (3) years following employment termination, or pay the full value of such benefits in cash.

In addition, upon a change in control of VistaCare, regardless of whether Mr. Slager's employment is terminated, the vesting of all of his options to purchase common stock would be accelerated in full.

In the event that, within two (2) years following a change in control of VistaCare, the employment of Messrs. Lewis, Watson, Elliot, or Crisci is terminated by VistaCare for any reason other than cause or the executive's death or disability or is terminated by the executive for good reason, we are required to:

pay the executive a lump sum amount equal to two (2) times his then current annual salary;

continue to provide the executive with health and life insurance benefits for two (2) years following employment termination, or pay the full value of such benefits in cash; and

accelerate the vesting of all options to purchase common stock held by the executive.

Compensation Upon Sale of the Company

The management agreements for Messrs. Slager and Watson provide that, if, before December 31, 2006, there is a sale of the company as defined below, in which the per-share equity value of VistaCare implied by the transaction is at least \$12.50, we are required to pay Mr. Slager a fee in the amount of \$1 million and Mr. Watson a fee in the amount of \$200,000.

The management agreement for Mr. Elliot provides that, if there is a sale of the company as defined below, and Mr. Elliot terminates his employment within twelve (12) months following such a sale, we are required to:

pay all accrued but unpaid salary, bonus and vacation pay, if any, within five (5) days of termination;

continue to pay Mr. Elliot his then current salary for eighteen (18) months after the date of his termination;

continue to provide Mr. Elliot with health and life insurance benefits for eighteen (18) months following employment termination, or pay the full value of such benefits in cash; and

for a period of ninety (90) days, allow Mr. Elliot to exercise all vested options granted together with those options that would have vested within eighteen (18) months.

As used in the management agreements, a sale of the company means:

the acquisition of more than 50% of our voting securities by any person, party or group, other than in connection with a sale of securities by us; or

the acquisition of VistaCare by means of reorganization, merger, consolidation or asset sale, unless our stockholders prior to such acquisition hold, in substantially the same proportions as prior to the acquisition, more than 50% of the voting securities of the acquiring entity following the acquisition.

In exchange for the foregoing rights, each of the executives has agreed to covenants restricting them from competing with our business or soliciting our employees or patient referral sources for two (2) years following their employment termination and from disclosing or divulging any of our confidential information.

Compensation Committee Interlocks and Insider Participation

None of our executive officers has served as a director or member of the compensation committee of any other entity whose executive officers served as a director or member of our compensation committee.

Report of the Compensation Committee on Executive Compensation

Our compensation committee is responsible for establishing and managing compensation policies for our executive officers and for making decisions about awards under our stock-based compensation plans in satisfaction of Rule 16b-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act. Each Committee member is a non-employee director within the meaning of Rule 16b-3 of the Exchange Act, and an outside director within the meaning of Section 162(m) of the Internal Revenue Code. This report is submitted by the Compensation Committee and addresses the compensation policies for fiscal 2005 as they affected our executive officers.

Policy

The Compensation Committee's policy is to structure executive compensation that is aligned with the achievement of specific company goals, such as growth, compliance and earnings. In addition to specific goals, the Compensation Committee also considers other aspects of an executive's performance that may not relate to or be measurable by objective standards. In sum, the Compensation Committee strives to structure executive compensation that provides incentives and rewards to our executive officers and enables us to retain our valued employees in a competitive environment.

Compensation Components

There are two (2) compensation components for our executive officers: cash compensation in the form of salary and bonus pay, and non-cash compensation in the form of stock options or restricted stock awards.

Salary. The amount of an executive's annual salary is based on the executive's experience, skills and responsibilities, as well as economic and business conditions affecting VistaCare.

Bonus Pay. The amount of bonus pay awarded to any executive officer is based on the executive's performance in relation to stated goals and VistaCare's overall performance. Results that affect bonus pay include reaching target patient census goals, the achievement of revenue and net income targets and controlling costs and other expense items. There is no set amount of bonus pay to which any executive is entitled, and the Compensation Committee establishes the amount of annual bonus pay payable to each of the executive officers in respect of any year following the completion of the audit of VistaCare's financial statements for such year. During fiscal years 2004 and 2005, the Compensation Committee did not grant any bonus pay award to any of the named executive officers.

Stock Options and Restricted Stock Awards. The Compensation Committee uses stock options and restricted stock awards as a long-term, non-cash incentive and as a means of aligning the long-term interests of executives and stockholders. The exercise price of stock options is set at the market price of our common stock on the date of the grant, thus linking the value of the options to the holder to the future performance of our stock. Stock options do not become valuable unless the price of our stock increases above the price on the date of the grant. In the case of restricted stock awards, the holder of the award does not realize the value of the stock until the restrictions imposed on the award expire. The number of stock options or restricted stock awards granted to an executive as a form of non-cash compensation is determined by taking into consideration factors such as the executive's performance, the number of stock options or restricted stock awards previously granted to the executive, the executive's remaining options exercisable and the value of those stock options or restricted stock awards, as compared to the anticipated value that an executive will add to VistaCare in the future. Stock options or restricted stock awards are not necessarily granted to executives on an annual basis.

Compensation of the Chief Executive Officer in fiscal 2005

The Compensation Committee, in determining the salary, bonus pay and stock option components for our Chief Executive Officer in fiscal 2005 considered the various factors described above. During fiscal 2005, we did not grant any stock options or restricted stock awards to our Chief Executive Officer.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation over \$1 million paid to its chief executive and its four (4) other most highly compensated executives. Performance-based compensation is excluded from the compensation taken into account for purposes of the limit if certain requirements are met. We currently intend to structure our stock options and restricted stock awards granted to executives in a manner that complies with the performance-based requirements of the statute. The Compensation Committee believes that, given the general range of salaries and bonuses for our executive officers, the \$1 million threshold of Section 162(m) will not be reached by any of our executive officers in the foreseeable future.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED

PUBLIC ACCOUNTING FIRM

(Item 2 of Notice)

Our Audit Committee has selected Ernst & Young LLP, an independent registered public accounting firm, to audit our financial statements for the fiscal year ending September 30, 2006. Ernst & Young LLP audited our financial statements for the fiscal year ended September 30, 2005. Although stockholder approval of the selection of Ernst & Young LLP is not required by law, our board of directors believes that it is advisable to give stockholders the opportunity to ratify this selection. We expect that representatives of Ernst & Young LLP will be present at the 2006 Annual Meeting, with the opportunity to make a statement if they so desire, and will be available to respond to appropriate questions from stockholders. In the event of a negative vote on this proposal by the stockholders, the Audit Committee will consider whether it is appropriate in the future to consider the selection of other independent registered public accounting firms.

The board of directors recommends that you vote FOR the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm, and proxies solicited by the board will be voted in favor thereof unless a stockholder has indicated otherwise on the proxy.

Board Audit Committee Report

VistaCare's Audit Committee oversees our financial reporting process on behalf of the board of directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. The primary duties and responsibilities of the Audit Committee are to:

select and engage VistaCare's independent registered public accounting firm;

serve as an independent and objective body to monitor VistaCare's financial reporting process and internal control systems;

review and approve the scope of the annual audit, non-audit services to be performed by the independent registered public accounting firm and the independent registered public accounting firm's audit and non-audit fees;

review and appraise the audit efforts of VistaCare's independent registered public accounting firm and internal audit function;

evaluate VistaCare's financial reporting and compliance with laws and regulations;

oversee management's establishment and enforcement of financial policies;

recommend to the board of directors that the audited financial statements be included in the Annual Report on Form 10-K for filing with the Securities and Exchange Commission; and

provide an open avenue of communication among the independent registered public accounting firm, financial and senior management and the board of directors.

The Audit Committee has:

reviewed and discussed the audited financial statements of VistaCare for the fiscal year ended September 30, 2005 with VistaCare's management and its independent registered public accounting firm, including a discussion of the quality and effect of VistaCare's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements;

discussed the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees) with VistaCare's independent registered public accounting firm, including the process used by management in formulating particularly sensitive accounting estimates and the basis for the conclusions of its independent registered public accounting firm regarding the reasonableness of those estimates; and

met with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of VistaCare's internal controls and the overall quality of VistaCare's financial reporting.

The Audit Committee has also received the written disclosures and the letter from VistaCare's independent registered public accounting firm required by Independence Standards Board Standard No. 1 (entitled "Independence Discussions with Audit Committees"), has discussed the independence of its independent registered public accounting firm and considered whether the provision of non-audit services by its independent registered public accounting firm is compatible with maintaining auditor independence, and has satisfied itself as to the independent registered public accounting firm's independence.

Based on the review and discussions described above, the Audit Committee has recommended to the board of directors that VistaCare's audited financial statements be included in VistaCare's Annual Report on Form 10-K for the fiscal year ended September 30, 2005 for filing with the Securities and Exchange Commission. The Audit Committee has also recommended the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2006.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding beneficial ownership of our common stock as of January 10, 2006 by:

each stockholder we know to beneficially own more than 5% of our common stock;

each of our directors;

each of our named executive officers; and

all of our named executive officers and directors as a group.

For purposes of this table, beneficial ownership is determined in accordance with Rule 13d-3 of the Securities Exchange Act of 1934, as amended, and generally includes voting and investment power over securities. Under this rule, a person is deemed to be the beneficial owner of securities that can be acquired by such person within sixty (60) days of January 10, 2006 upon the exercise of options. Each beneficial owner's percentage ownership is determined by assuming that all options held by such person that are exercisable within sixty (60) days of January 10, 2006 have been exercised.

Except as indicated in the footnotes to this table and subject to applicable community property laws, the persons named in this table have the sole voting power with respect to all shares of common stock listed as beneficially owned by them. Unless otherwise noted in the footnotes to this table, the address of each beneficial owner is c/o VistaCare, Inc., 4800 North Scottsdale Road, Suite 5000, Scottsdale, Arizona 85251.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

VistaCare Hospice Foundation

The VistaCare Hospice Foundation (formerly, Vista Care Foundation) is a non-profit corporation established by Barry M. Smith, the former Chairman of our board of directors, in March 1996 for the purpose of soliciting, investing and distributing funds to advance the cause of end-of-life care. The foundation:

provides grants directly to terminally ill patients to fulfill basic needs and last wishes;

funds hospice services for patients who lack the means to pay for hospice care;

provides funding for end-of-life research and community and professional education; and

provides grants that help the bereaved overcome their grief of the loss of a loved one.

The business and affairs of the foundation are currently governed by a six (6)-member board of trustees. Geneva B. Johnson, one of our directors serves as Chair of the board of trustees. Since May 2005, Martin A. Yenawine, an employee of the Company and former Assistant to the Chairman, has served as President and Chief Executive Officer of the foundation and as a member of its board of trustees. We pay Mr. Yenawine's compensation to work with the foundation on a full-time basis, which, from May 2005 through September 30, 2005, totaled approximately \$63,466. At any meeting of the foundation's board of trustees at which at least three, but fewer than four, trustees are present, it is possible that Ms. Johnson and Mr. Yenawine could control the outcome of all actions taken at such meeting.

In addition, we made a cash contribution to the foundation of \$69,000 in January 2005.

Consulting Services Agreement

In September 2003, we entered into a consulting services agreement with Dr. Perry G. Fine, a member of our board of directors, pursuant to which Dr. Fine provides certain consulting and other related services to VistaCare as we may request from time to time. In return, Dr. Fine receives an annual retainer of \$60,000, paid in equal monthly installments commencing on September 1, 2003, plus reimbursement by us in accordance with Company policy of travel and other business-related expenses. The agreement may be terminated by either Dr. Fine or us upon thirty (30) days written notice with or without cause. In addition, we may terminate the agreement immediately under certain circumstances. A copy of the agreement was filed as Exhibit 10.39 to our 2003 annual report on Form 10-K.

Other Transaction

On September 27, 2005, in order to aid in the relocation of Mr. Elliot to the Phoenix, Arizona metropolitan area, the board of directors, at a special meeting and without the participation of Mr. Elliot, agreed to purchase Mr. Elliot's house in Minnesota for \$940,000. The purchase price was based on two (2) independent real estate appraisals. An agreement for the sale of the house to the Company was executed on October 11, 2005. Pursuant to the terms of this agreement, if the Company is able to sell the house for more than \$940,000, Mr. Elliot is entitled to the difference between the sales price and \$940,000. If the house sells for less than \$940,000, Mr. Elliot is to pay the Company the difference between \$940,000 and the sales price. On December 15, 2005, the Company sold the house to an unrelated third party for \$900,000. The sale of the house was closed on December 15, 2005. As of the date of this proxy statement, Mr. Elliot owes the Company approximately \$40,000, which he has agreed to pay by March 31, 2006.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers, directors and persons who own more than ten percent of a registered class of VistaCare's equity securities to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and The Nasdaq National Market. These persons are required by SEC regulation to furnish us with copies of all Forms 3, 4 and 5 they file with the SEC and Nasdaq.

Based on a review of reports filed by our directors and executive officers and based on representations from them, we believe all stock ownership reports required to be filed by those reporting persons during 2005 were timely made, except with regard to the following transactions due to administrative error: (i) a Form 4 on behalf of Mr. Crews relating to a stock option grant on May 5, 2005; (ii) a Form 4 on behalf of Mr. Donnell relating to a stock option grant on August 4, 2005; and (iii) a Form 4 on behalf of Mr. Henry relating to a stock option grant on May 5, 2005. The corresponding Form 4 for each of the persons identified above has since been filed. In addition, a Form 3 filed on behalf of Mr. Elliot on January 12, 2005 inadvertently excluded certain shares of our common stock owned by Mr. Elliot. The Form 3 for Mr. Elliot was amended on January 28, 2005 to include the correct share ownership information. Further, a Form 4 was not filed relating to the sale of shares by Dr. Fine on March 30, 31 and April 12, 2004. A Form 5 has been filed to record those transactions.
