This Amendment No. 35 to the Tender Offer Statement on Schedule TO amends and supplements the Tender Offer Statement on Schedule TO filed with the Securities and Exchange Commission on February 11, 2010 (together with any amendments and supplements thereto, the “Schedule TO”) by Air Products and Chemicals, Inc., a Delaware corporation (“Air Products”), and Air Products Distribution, Inc. (the “Purchaser”), a Delaware corporation and a wholly owned subsidiary of Air Products. The Schedule TO relates to the offer by the Purchaser to purchase all outstanding shares of common stock, par value \$0.01 per share (together with the associated preferred stock purchase rights, the “Shares”), of Airgas, Inc., a Delaware corporation (“Airgas”), at \$65.50 per Share, net to the seller in cash, without interest and less any required withholding taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated February 11, 2010 (together with any amendments and supplements thereto, the “Offer to Purchase”), and in the related Letter of Transmittal (which, together with any amendments and supplements thereto, collectively constitute the “Offer”).

Item 5.

Item 5 of the Schedule TO is hereby amended and supplemented as follows:

Based on suggestions received by Air Products from certain shareholders of Airgas, on September 10, 2010, representatives of JPMorgan and Perella Weinberg Partners, Air Products’ financial advisors, placed a call to representatives of Goldman Sachs and Bank of America Merrill Lynch, Airgas’s financial advisors. On the call, Air Products’ financial advisors stated the following:

Air Products had been advised by certain Airgas shareholders who met in person that day with Peter McCausland and some of the Airgas directors that Airgas indicated a willingness to negotiate a deal with Air Products and had some potential movement with respect to Airgas’s views on value.

Air Products had flexibility to increase its offer price, but did not see the benefit of doing so without constructive engagement from Airgas’s management and board.

Air Products was prepared, prior to the September 15, 2010 annual meeting, to negotiate a merger agreement with Airgas that would include a customary “go shop” provision. Air Products was further willing to find a way to reach a deal with Airgas on the weekend of September 11-12, 2010.

Air Products has been clear that it will respect the will of the shareholders and will terminate and abandon its offer for Airgas if Airgas’s shareholders do not vote for Air Products’ nominees and approve all of Air Products’ by-law proposals at the upcoming annual meeting.

Air Products’ financial advisors further stated on the call that these Airgas shareholders had indicated that the Airgas directors present at the meetings had different views than Mr. McCausland as to value and as to an appropriate value at which to begin negotiations.

Airgas’s financial advisors stated that Airgas had been clear that they would begin discussions at an appropriate price and that the current price of \$65.50 was nowhere near an appropriate price at which to begin discussions. The Airgas advisors further commented that they would not confirm what was reported in the numerous conversations Air Products had with certain shareholders of Airgas on Friday. The Airgas advisors did not comment on whether there was a difference of opinion between the Airgas board and Mr. McCausland on the level at which Airgas would begin negotiations. The Airgas advisors closed the conversation by saying they would communicate whatever Air Products had to say to the Airgas board. Citing the disclosure obligations arising under the federal tender offer rules, the Airgas advisors declined to discuss value or to specify a value at which Airgas would begin discussions.

On the afternoon of Sunday, September 12, 2010, a representative of Goldman Sachs, Airgas's financial advisor, called a representative of Perella Weinberg Partners, Air Products' financial advisor. In this call, Airgas's financial advisor confirmed that Airgas had conducted conversations with certain shareholders of Airgas on the previous Friday and the substance of the conversations that had been reported to Air Products, except that Airgas's financial advisor stated that the Airgas board and Mr. McCausland were unified in their views. Airgas's financial advisor further stated that Airgas had not changed its substantive position since the advisors' call on Friday and that Airgas was not willing to meet at this time based on the current offer price of \$65.50 per share.
