Indirect Subsidiary of Exelon Corporation Declares Bankruptcy

Chicago (April 5, 2002) -- ETT Nevada, Inc., an indirect subsidiary of Exelon Corporation, filed for protection under Chapter 11 of the Bankruptcy Code on April 4, 2002. This filing was necessary to protect ETT Nevada's \$9.3 million equity investment in Northwind Aladdin, LLC from the risk of loss due to a possible lender foreclosure and to avoid disruption to Northwind Aladdin's

business and operations.

Northwind Aladdin owns and operates an energy facility that provides hot water, chilled water and back-up emergency electrical generation to the Aladdin Hotel and Casino and an adjoining shopping mall in Las Vegas, Nevada. The equity investment in Northwind Aladdin is ETT Nevada's only material asset, and represents a 75% ownership interest in Northwind Aladdin. The remaining 25% is owned by a subsidiary of Sierra Pacific Resources, an unaffiliated third party.

The energy facility was financed through non-recourse project financing and equity contributions by ETT Nevada and Sierra Pacific's subsidiary. ETT Nevada's equity investment is pledged as collateral for Northwind Aladdin's \$23 million non-recourse project financing. The financing is in default due to Aladdin Gaming, LLC, the owner of the Aladdin Hotel and Casino, filing for protection under Chapter 11 of the Bankruptcy Code in September 2001.

Only Northwind Aladdin, and no other Exelon company, is liable on this financing, which is with an unaffiliated financial institution. Northwind Aladdin's energy facility continues to operate and provide services to the Aladdin Hotel and Casino.
